Applications accepted on a continual basis, scholarships awarded quarterly

The JD Grewell Education Scholarship is funded by the Examination Board of Professional Home Inspectors (EBPHI). The EBPHI is a 501(c)(6) not for profit organization whose mission is to develop and maintain high-stakes examinations for the real estate inspection profession and to advocate for high standards for the profession. The National Home Inspector Examination (NHIE) is a nationally recognized examination and is accepted in many States as part of licensure requirements for the home inspection profession.

The EBPHI established this scholarship in 2018 to honor JD Grewell, a well-respected home inspector who shared much of his time and talent with EBPHI and the home inspection profession. The scholarship recognizes and supports hard-working, ethical individuals who seek a career in the home inspection profession.

Scholarship Award Application

The EBPHI intends to award at least one (1) quarterly scholarship in the amount of \$5,000. The EBPHI reserves the right to award more or none based upon the number and quality of applications or for budgetary reasons. The decision of the scholarship committee will be final. The committee reserves the right to not award funds if there are no applicants or if the applicants do not meet the standards of the committee. **Applications must be submitted by March 1, June 1, September 1 or December 1.** The awards will be announced no later than the 15th day of the following month.

The full amount of the scholarship funds will be mailed directly to the scholarship recipient upon proof of completion of a home inspection training program. The home inspection training program shall be a minimum of 60 hours provided in a classroom setting.

Once a scholarship recipient successfully passes the NHIE, the EBPHI will reimburse the exam fees.
