

JD Grewell Education Scholarship Application – Revised April 2022

The JD Grewell Education Scholarship is funded by the Examination Board of Professional Home Inspectors (EBPHI). The EBPHI is a 501(c)(6) not for profit organization whose mission is to develop and maintain high-stakes examinations for the real estate inspection profession and to advocate for high standards for the profession. The National Home Inspector Examination (NHIE) is a nationally recognized examination and is accepted in many States as part of licensure requirements for the home inspection profession.

The EBPHI established this scholarship in 2018 to honor JD Grewell, a well-respected home inspector who shared much of his time and talent with EBPHI and the home inspection profession. The scholarship recognizes and supports hard-working, ethical individuals who seek a career in the home inspection profession.

Scholarship Award Application

The EBPHI intends to award at least one (1) quarterly scholarship in the amount of \$2,500 or \$5,000, depending on applicant's choice of home inspector training. The EBPHI reserves the right to award more or none based upon the number and quality of applications or for budgetary reasons. The purpose of the scholarship is to provide funds to help scholarship recipients with the costs of training and tools necessary to enter the home inspection profession.

Scholarships will be awarded at the discretion of the EBPHI Scholarship Committee, and as approved by the Board of Directors. Scholarships are awarded based on application information and the quality of the required essay(s). The decision of the scholarship committee will be final. The committee reserves the right to not award funds if there are no applicants or if the applicants do not meet the standards of the committee.

Applications must be submitted by March 1, June 1, September 1 or December 1. The awards will be announced no later than the 15th day of the following month (April 15, July 15, October 15 and January 15).

Indication of scholarship level requested (based on type of training) must be stated at application and cannot be changed after scholarship award date, unless it is to claim the lesser amount.
